Hello Mr. Hakopiants-

I just was directed to your contact information after dealing with our tenants complaints about the encampment nearby our property in District 13. I am co-owner of the 10 unit property at [Priva] Monroe. It seems the folks from the encampment are spending time talking loudly late at night and smoking almost on the property. Tenants are [Priva] Monroe Street have even reported being verbally accosted by some of the homeless folks.

I appreciate you looking into this situation to see if this group can be moved to another area where they will not disturb residential tenants.

Thank you for your time an attention to this situation.

Respectfully,  
[Privac] [Privac]
